

NAME: _____

DATE: _____

Reflecting on STEM

Directions: Use this graphic organizer to reflect on the lab you just completed. Each answer should be written with complete sentences in a detailed format.

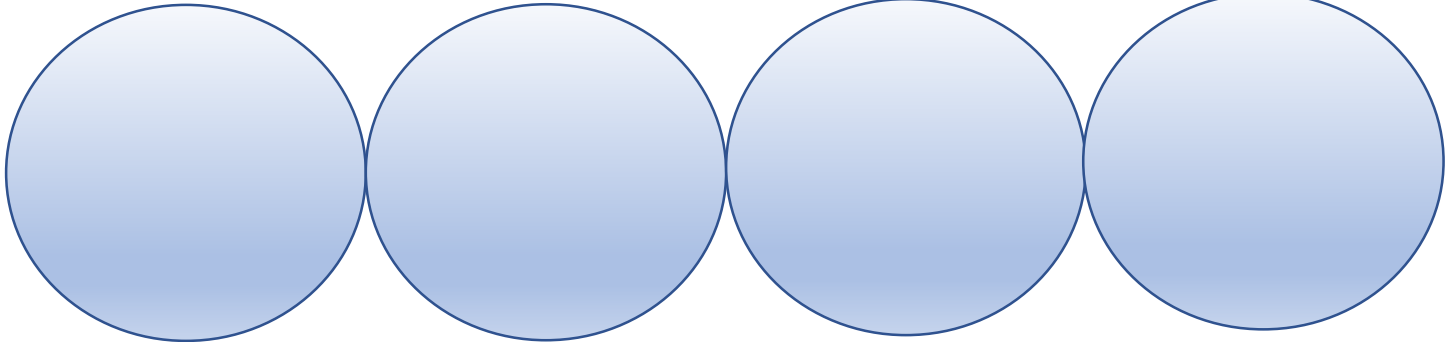

In one sentence, explain how each of the following were used in this lab experiment:

SCIENCE

TECHNOLOGY

ENGINEERING

MATH

Describe the area of STEM you focused on today.

What worked well?

What needs improvement?

Connect a career field to this activity and explain how the two are related.
